Copy of the letter No. M.112-447/58-59 dated 10-12-58 from the ~~Chief~~ Conservator of Forests, Shimoga to the Chief Conservator of Forests in Mysore, Bangalore.

Sub:- Request of Shri Gadi Seshiah of Bhratipura, Thirthahalli Talu, for grant of lands in S.No. 111/2 of thesaid villages for cultivation.

.....

Ref:- Your letter No.B3.78-875/58-59 dated 16-8-58.

.....

The District Forest Officer, Shimoga Division, Shimoga, has reported that S.No.111/2 is included in Bharathipura Minor Forest and that the Tahsildar, Thirathahalli Taluk, has rejected the application ~~effect.~~ A copy of Shimoga District Forest Officer,'s letter No. 1043 dated 10-10-58 which is self explanatory, is enclosed herewith for favour of information.

And also issue an endorsement to the party to that effect.

Shri Gadi Seshaiah, has again applied for grant of this land on the score that he is poor landless and is applyingfor the past 3-4 years. Meanwhile, there is the application dated 20-8- 1958 of Srimathi T.Lakshamamma of Thirthahalli addressed to the Deputy Commissioner, Chikmagalur District, praying for grant of 20 acres ofland in Bharatipura Village, asdetailed below:-

In S.No. 81/2	13 acres.
In S.No. 111/2	7 acres.
total	20 acres.

In view of the fact that this applicant, Smt. Lakshmamma, is an expropriated ryot, having lost 21 acres 12 guntas under the Bhadra Project the Special Land Acquisition Officer, Narasimharajapura has recommended grant of 20 acres of land in the two Survey numbers referred to above, for cultivation purposes.

The case of Smt.Lakshmamma, may be considered sympathetically in view of her being an expropriated ryot and also in view of the fact that she is a widow, having a number of children to maintain. She may be granted 13 acres of land in S.No.81/2 included in Bharatipura Minor Forest, ~~Regarding~~ up to this area can be conveniently excluded from the Minor Forest. Regarding the remaining extent of 7 acres applied for in S.No.111/2 of the same village, the request may be rejected as there is already another applicant viz., Shri Gadi Seshiah whose request has been rejected by the Tahsildar, Thirthahalli for good reasons.

The District Forest Officer, has stated that the area of 13 acres in S.No.81/2 may be released for cultivation but still retained as an enclosure to the Minor Forest land revenue being paid to the Forest Department. As it will be difficult for the Range Forest Officer to collect Revenue and maintain accounts therefor and also with a view to prevent encroachments in the Minor Forest, it seems best to disafforest the area and handover thesame to the Revenue Department for being disposed of to the Party for cultivation

The connected records accompany forreference and return when done with. The petition of Shri Gadi Seshiah, received with your letter under reference, is also retransmitted herewith.

Copy of the letter No.1043 dated 10-10-58 from the District Forest Officer, Shimoga to the Conservator of Forests, Shimoga Circle, Shimoga.

Sub:- Request for grant of 5-00 x land in S.No. 111/2 in Bharathipura Minor Forest by one Shri Gadi Seshaiah.

.....

Ref:- Your No.M. 112-447/57-58 dated 26-8-58.

.....

With reference to the above, I am herein enclosing for your kind perusal a copy of report No.395 dated 30-9- 58 received from the Range Officer, Thirthahalli for your kind perusal and write to stateas follows. As could be seen fromthe report of the Range Forest Officer and from the endorsement issued to Shri Gadisheshaiah by the Amildar Thirthahalli the grant of land to the applicant for cultivation has been refused by the Amildar for the reasons that this S.No. is included in Bharathipura Minor Forest.

However, in connection with an application received from one Shrimathi T.Lakshmamma of Thirthhalli Taluk in S.No.81/2 and 111/2 of the same Minor Forest received through the Special Land Acquisition Officer, Bhadra Project, N.R. Pura, I perambulated both these S.Nos. on 25-9-58 in the company of the Range Officer, Thirthahalli. A rough sketch of the Bharathipur Minor Forest Showing both the S.Nos. is herein enclosed for your kind perusal. A copy of the report of the RangeOfficer Thirthahalli No. 394 dated 29-9-58 is also enclosed. As stated by the Range Officer, the extent of land available in S.No.111/2 is roughly about 7 acres and this area contains very little or no malki. There are few clumps of Bamboo and about 5 cart loads of fuel. The land is fit for cultivationand it is adjecent to already cultivated lands. Shri Gadi Sheshaiah has prayed for grant of 5 acres of landout of this S.No. while in the application of Shrimathi T. Lakshmamma received through the Special Land Acquisition Officer, Bhadra Project N.R. Pura it is seen that this woman is an expropriated Ryot who is reported to have lost 21 acres 12 guntas of land on account of submersion due to Bhadra Project and the Special Officer has recommended for grant of 20 acres of land in S.No. 81/2 of Bharathipura minor Forest. This S.No. is adjecent to already cultivated S.Nos. and is situated very close to river Tunga and is fit for cultivation and contains malki worth Rs. 46-44, as reported by the Range Officer. The extent available is about 13 acres. In her application Srimathi Lakshmamma has prayed that the balance acreage may please be granted to her in S.No. 111/2.

As it is the policy of the Government to encourage for growing more and more fodd crops and as the areas pointed out are divoid of tree growth and fit for cultivation, I should have no objection for releasing these areas for cultivation purposes. If the prayer of Shrimathi Lakshmamma a helpless widow with a number of children and an expropriated raiyat has to be considered sympathitically the application of Shri Gadi Sheshaiah for grant of 5 acres of land in ~~Max~~ S.No.111/2 has to be rejected. I am howeverenclosing both the applications for your kindconsideration and for such recommendation as you deem fit in the matter. As both these extent of area applied for have definite check boundries thereshould no trouble for marking the corrected 'D' lines. I may however mention that these S.Nos. are to be released for cultivation onupset prices or any other rules in force they may still be treated as enclosures to the Minor Forest and the Land Revenue paid to the Forest Department.
